Snowshoe trail at Tomahawk lake park

A suggestion was made that we post a sign on the Kiosk that states that the Blue trail is multi-use for snowshoeing, biking along with classic ski tracks

A motion was made by Linda Clark to have wall mounted hand sanitizers installed in bathrooms without water. Seconded by Marcia Wellnita. Motion passed.

Moving of garage costs

Pat got a quote from Ben Woodhull for \$3500 to move the garage to Tomahawk Park. In addition there would be additional costs involved (concrete, electrical,etc) This is a lot less than building new, but may not be in the budget for 2021. There were concerns of break-ins because of remote location however we do have a security system.

Brochure for both town parks

Work will be done over the winter to develop a brochure to have ready in spring of 2021.

Trails at Tomahawk Lake Park

Someone asked the town about the trails that are closed off at the park. Discussed that these trails were confusing and therefore closed to simplify the trail system.

Hunting in area of trails at Tomahawk park

Hunting is allowed and it was discussed on how to address this issue. Pat will put a sign in the Kiosk. Also we are also asking the Town board for permanent signs on both entrances to the park that inform that hunting is allowed in the vicinity.

Sledding Hill

Present sledding hill will be replaced with a safer one at some time in the future. For now the town board will be asked to clarify if the signs should be removed.

Discuss a name for the "warming hut" at Tomahawk.
Nominate new alternate member.
