Summary

Discontinuation of Roads and GIS Adjustments

Town led a discussion about the proposed discontinuation of several roads, including Maplewood Road, in the Tomahawk Lake Park. Town had consulted with Brock Frierwood, Surveyor, regarding a proposed combination of several lots, which had been shifted slightly on the GIS website. This required adjustments to the proposal. Once the road is discontinued, Town planned to initiate the court process to vacate the remaining roads in the Meyers & Worthington's North Woods Cabin Sites, with the exception of Moore Rd, Little Island Lake Rd and Carney Road. The discussion also touched on the need for a survey, which Brock would conduct, before any resubmission of plans could occur.

A motion was made (Tom/Dave) to adjourn. Voice vote taken, motion carried.

Meeting was adjourned at 6:43pm
