

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE
September 13, 2022

Members present were Dave Schiess, Chris Lane, Greg Martin, Mark Holm, Jim Frint, Jeff Jordheim

Also present: Greg Sasser

Meeting called to order at 6:30pm, quorum established

Motion to approve minutes of 8/5/22 passed unanimously (Lane/Holm), no changes

Motion by Jeff Jordheim to add Peninsula Road to meeting agenda, second Chris Lane, passed unanimously.

Point of Pines Road

Landowner asks to add strip of land to his lot. Discussion on procedure, feasibility, and accuracy of lot lines.

Motion to table indefinitely (Frint/Schiess) passed unanimously.

Carney Road

Carney is not a town road but property owner is asking that it be plowed in winter.

Motion that town should take no action at this time (Jordheim/Martin) passed unanimously.

Moen Road

Feasibility of closing Moen Road at the south end and creating a turnaround. Discussion included safety issues, resident concerns, emergency access, and utilities. Committee wishes to look into option of improving south intersection with Birch Lake Road as an alternative to closing. This is subject to survey to confirm lot lines. Contract is in place to proceed with said survey.

Boney Lake Road

Property owner feels recent resurfacing of the road is causing runoff to his driveway – yet there is no evidence of such runoff near the road. No action planned at this time.

Peninsula Road

Due to safety and traffic concerns, roads crew needed to remove a large downed oak near the landing and lying partially on township property. Adjacent property owner is asking that the remaining stump be removed. During lengthy discussion, multiple complications have emerged including the fact that stump appears to be located directly astride property line and owner's building extends onto township property. Removal of the stump may damage nearby buried utility lines.

Committee recommends survey to confirm location of property and utility lines before any further action is taken.

Adjourn

Motion to adjourn (Jordheim/Lane) passed unanimously. Meeting adjourned 7:57pm.

Respectfully submitted, Mark Holm, recorder
