

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

September 14, 2021

Members present were Chris Lane, Jeff Jordheim, Greg Martin

Also present: Zech Gotham, Peter Komro

Meeting called to order at 4:04pm, quorum established

Scoping presentation, Morgan and Parmley

Project Manager Zech Gotham of Morgan and Parmley LTD presented to the committee with regard to design services for resurface of Lake Road from Birch Lake Bridge to State highway 27.

Discussion included but was not limited to:

- Pulverizing and repair of road surface
- Conceptual design for rebuild of intersection Outlet Bay/Birch Lake/Lake; curb and gutter or median island including drainage design
- Core sampling
- Research of road base
- DNR concerns; feedback from Shawn Haseleu, Northern Region Wisconsin DNR liaison
- Extensive and detailed analysis of Birch Lake Bridge: dredging channel, raising road surface, sloping requirements, cost of wetlands mitigation, existing bridge base
- Project funding assistance

Public input

Schiess Road property owner Peter Komro provided useful insight regarding public usage of Lake Road, Birch Lake Bridge, and the area navigable waterway. He believes there would be general public support for raising the bridge.

Adjourn

Meeting adjourned 5:43pm

Respectfully submitted, Mark Holm, recorder

Special thanks to Chris Lane for meeting information

Next meeting Monday, September 20, 2021, 4:00pm at Barnes Town Hall
