

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

October 11, 2022

Members present were Dave Schiess, Greg Martin, Jeff Jordheim, Mark Holm, Jim Frint, Chris Lane

Also present: Greg Strasser

Meeting called to order at 6:32pm, quorum established by roll call

Motion to approve minutes of 9/13/2022 passed (Martin/Frint), no changes

Pine Chip Drive

Double chip seal has been completed and billing invoice submitted. No further discussion.

Peninsula Road

Large oak stump near boat landing reported in RROW September minutes has been removed by the town roads crew. Additional work in the area was discussed and such work would have to be subject to survey because of ambiguity of property lines.

Motion by Schiess, second by Martin:

It is the RROW committee's recommendation that no survey work be currently ordered for Peninsula boat landing area.

Motion passed unanimously by show of hands.

Right of way

During previous RROW meetings, the need for clear right of way guidelines has been identified to resolve property line, roads, and other issues that frequently arise in township management. Committee resolves that the best way to deal with this is to follow existing Wisconsin regulations.

Motion by Frint, second by Martin:

The committee recommends that the township follow Wisconsin State Legislative Standards for Town Roads Section 82.5 for issues involving Barnes township roads and right of way.

Motion passed unanimously by voice vote.

Adjourn

Motion to adjourn (Frint/Martin) passed unanimously. Meeting adjourned 7:24pm.

Respectfully submitted, Mark Holm, recorder

Next meeting Tuesday, November 8, 2022, 6:30pm, township garage
