

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

November 9, 2020

Members present were Don Dealing, Mark Holm, Greg Martin, Eric Neff
Also present, BJ Skweres representing roads crew
Meeting called to order at 8:58AM, quorum established
Motion to approve minutes of 8/10/2020, passed unanimously (Neff/Martin) without change

Rifle Range Road

Work has been done in recent months to improve the range sightlines. The road will be maintained as a gravel road. Discussion followed regarding increased cost of paving and other road maintenance materials.

Projects for 2021

- East Robinson Lake Road
- Bony Lake Road
- Moen Road

- Ellison Lake Road/Moore Road intersection

Lake Road/Birch Lake Road intersection will be part of remaining Lake Road rebuild in 2022. This project may involve search and application for a funding grant; the committee and town board are open to someone with expertise to assist in grant process.

- Road signs for Martin Road and others

George Lake Road landing barrier

Four-wheelers have worn a short, makeshift path between the landing and adjacent Lynx Road. The path is and will continue to be subject to erosion -- as well as a potential safety hazard. BJ will look into using available rock to create a barrier between Lynx and the landing.

Adjourn

Motion to adjourn (Dealing/Neff) passed unanimously; meeting adjourned 10:51AM.

Respectfully submitted Mark Holm, recorder

NEXT MEETING January 12, 2021, 11:00AM
