

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

June 6, 2017

Present were Mark Holm, Tom Emerson, Eric Altman and Don Dealing. Also present was Dan Stein.

Meeting called to order at 1:00 PM.

Tom/Mark motion to approve minutes of April 27, 2017 meeting. Passed.

A discussion of various aspects of the Lake Road project was held.

The projected time line for the project is: Put the project out for bids by July 15, 2017 with a short deadline for bid returns; construction to begin by mid-August; construction to be completed within a 100 day period (possibly gravel the road in the 100 days and pave the road in the spring of 2018 with a projected completion of June 30, 2018).

An immediate issue is the need for temporary construction easements from several landowners. Don and Eric will meet to compose a letter to these landowners to arrange a meeting to explain the issues to the landowners.

Meeting adjourned at 2:50 PM

Respectfully submitted by Don Dealing, chair
