Meeting was called to order by Chairperson,Pat Johnston at 9:06am  
Members present were Marc Lybeck, Marcia Wellnitz and Pat Johnston.  
Meeting notices were posted 6/5/2020

A motion to approve the agenda and dispense with the reading of the 5/14/2020 minutes was made by Marcia and seconded by Marc. Motion was carried.

Topic	Discussion
Platform and outcome for 2 Year plan	The report will include a review of all structures in both parks while the two year plan will include those items the committee feels need to be addressed and budgeted for within the next two years.
How to accomplish completing the 2 year plan in a timely manner.	The committee will inspect the Town Park in June and Tomahawk Park will be inspected in July. Report and Two Year Plan will be submitted to the Town Board at the August Town Board Meeting.
New Brochure	Committee members recognize the need for a new Parks brochure as the current one is dated. Information to be included, number needed, distribution locations and cost all need to be identified.
The Two Year Plan	Discussion of what should be included. Concession stand needs work, Marcia described what was in the concession stand. Bathrooms need new roofs, Tennis Courts are being used for Pickle ball as well as Tennis and are in need of repair as are some of the screens. Basketball courts need lines. The trail connecting to Tomahawk Park needs to be mowed and cleaned up a bit. However it should be mowed soon. The Skating/Warming house needs to be cleaned and painted. The skates should be cleaned and sharpened. A new heater on a timer, two skate trainers and shelves for the skates need to be acquired.
Tomahawk Park	Tomahawk Park was discussed, a trail mower has been ordered through a generous donation. Marc suggested that the donation tubes might also be purchased with this money. Signage on the trails could be enhanced with additional markers as well as mile signs. A discussion of the potential moving of the single car garage at Town Hall to Tomahawk Park or new construction of a shed to house equipment and tools ensued. More information is needed. The sledding hill was also discussed and a recommendation we involve The Friends of Tomahawk Lake in the planning was made. Pat will contact FOTL

Future Grants

Marc reported the Pam Toshner sent him some information on potential Grants. He will pass them on to the committee. Marcia reported that the EMT's continue to look for Fire & Ambulance Grants and should be asked to send any Park grants they may come across to one of us. We were all in agreement

Adjourn

Marc made a motion to Adjourn the meeting at 10:10 and Marcia Seconded the motion. Motion carried.

Physical review of Barnes Town Park by Marc and Pat commenced after the meeting.

Respectively
