Dear Family and Friends:

THANK YOU EVERYONE for your kudos and support of the May issue of the Barnes Notes and News. How wonderful to hear that the new paper was so well liked and received, and that it included what you had been looking for. I could not have done it without the tremendous amount of help I received in getting it put together.

I've had many responses with regard to the Friermood story in the May Reminiscing section. Memories of having their cars, boat motors and everything else fixed; buying new snowmobiles, picking out the latest in snowmobile fashions, or just grabbing a cup of coffee for a chat. I'm very happy and touched that our family was such a memorable part of your lives. In this months section, we share the history of R-C's DeCoy.

The Cable American Legion Post 487 will march in their annual Military Services on Monday, May 29th at the following locations and times:

Seeley 9:00 a.m., Drummond 10:00 a.m. and Cable (start: Chippewa Valley Bank) 11:00 a.m. **Please show your support for our Veterans and their sacrifices.**

SFMNP Vouchers Available in June

The Bayfield County Department of Human Services will once again be distributing the Wisconsin Senior Farmers Market Nutrition Program (SFMNP) vouchers to low income seniors beginning in June 2017. The goal of this program is to help seniors improve their diets with fresh produce while giving local farmers more business and adding support to the local economy.

To be eligible for the program in Bayfield County, you must be a Bayfield County resident, 60 or older (55 or older if you are Native American), and at or below 185% of the Federal Poverty Limit (FPL).

For a one person household, 185% RPL is \$1,860/month or \$22,311/year. For a two person household, 185% FPL is \$2,504/month or \$30,044/year. For each additional household member, add \$645/month or \$7,733/year. Income is self-declared; you do not need to show verification of income.

If eligible, you will receive one set of vouchers worth \$25, with a limit of one set per household. The vouchers are distributed on a first come first serve basis, and cannot be sent through the mail. You need to show up at a distribution site in person or send a signed note with a friend or family member stating that you would like that person to pick up your vouchers for you. That person will also need your address, phone number, and date of birth to complete the Eligibility Agreement form on your behalf.

For more information, please contact Karen Bodin, Bayfield County DHS, at 715-373-6144, ext. 115.

The Bayfield County 2017 SFMNP Voucher Distribution Schedule:

- Layout was done between the Department and Nelson Lumber for the warming hut in the Tomahawk Lake Park.
- 66% completion in the brush disposal area. 50% of the debris piles have been disposed of. Dirt balancing has begun.
- The dock has been fixed at the Upper Eau Claire boat landing.
- Assisted the DNR in the installation of the boat landing docks on Middle Eau Claire and Pickerel Lakes
- Negotiations are in process with regard to Lake Road Construction
- Sand has been blown off the town roads
- Take off has begun on the 7 locations for the White Ladder Business Signs. Date for completion and installation of signs TBD
- 90% of the gravel/dirt roads have been graded and are in good shape

There are other items in the works and the Department will provide updates as the information becomes available.

THERE'S SOMETHING NEW IN BARNES !!!

Drive by the Town Hall and see the new event sign installed on May 12th, 2017.

This sign is an informational sign to announce non-commercial events.

Thanks to the Barnes Christian Men (BCM) for volunteering their time and effort. Bill Pence, Lee Wiesner and Jim Krook did the planning and construction. In addition, those helping with hauling and installing were Bart Mueller, Tom Stone, Dick Hanson, Richard Hanson, Brett Harper and Eric Altman.

Many thanks to all who helped make this possible.

Barnes Book Club

The Barnes Book Club meets at 9:30 a.m. the fourth Monday of each month except December at the library of the Barnes Community Church.

On **Monday, June 26** at 9:30 A.M. at the Barnes Community Church we will discuss *I Am Malala* by Malala Yousafzia. Malala is the young girl shot by the Taliban for advocating schools for girls in Arabic countries. She survived, wrote this book, and was awarded the *Nobel Peace Prize*. If you have wanted to read this inspirational book, please join us. The book is available at the Hayward library, just ask for the Barnes Book Club selection.

Then on **MONDAY JULY 24** at **7:00 P.M.** at the **BARNES TOWN HALL** we will have a **PUBLIC VENT**. Emily Stone, naturalist at the Cable Natural History Museum will do a reading from her new book *Natural Connections*. **PUBLIC WELCOME**. Sponsored by the Friends of the Eau Claire Lakes as well as the Barnes Book Club.

SCHOLARSHIP AWARDS PRESENTED MAY 17, 2017

Submitted by: Steve Vanderburg & Julie Ann Pullar Johnson

I had the privilege of awarding the three scholarships from the Barnes VFW at Drummond High School on May 17th. Those that received were Abigail (Abby) Gorton, Tom Krob both from Barnes and Tyler Mellend of Cable. Due to the success of the April Friday fish fry fundraiser, we added a third \$500.00 scholarship.

Julie represented the Women's Auxiliary and awarded two scholarships (added a second scholarship using different funds) to Hannah Ruprecht and Matthew Neff (not pictured), also from Barnes. In total, the Barnes VFW granted \$2,500.00 this year to the Drummond Scholarship awards.

Barnes Church Men Present Scholarships

Following a long-standing tradition, the Barnes Christian Men presented three scholarships, each in the amount of \$1,000, to graduating seniors at the annual Drummond High School awards ceremony on Wednesday, May 17th. For 2017, the award recipients are Thomas Krob, Abigail Gorton, and Alison Ludzack.

Recipients are chosen by the Drummond High School scholarship committee based on general guidelines and criteria provided by Barnes Christian Men (BCM). Applicants must apply in writing.

The number and amount of awards may vary each year based on proceeds of two major fund-raising events staged by the BCM. The first of these is the eclectic Trash for Cash sale, called "the biggest and best yard sale in Bayfield County", which will be June 3rd, starting at 8:00AM at the church in Barnes. Widely attended, the sale features everything from machinery and tools to household goods and sporting equipment – all gently priced. A second major fund-raiser is the July 4th pancake feast, where, for \$6 you can enjoy pancakes, sausage, juice, milk and coffee all personally served up by the BCM.

BCM is a service group affiliated with Barnes Community Church and meets every Wednesday morning in Fellowship Hall at 8:30AM.

For questions on any of the above, phone the church office at 715-795-2195.

FLAG ETIQUETTE — STANDARDS OF RESPECT

www.usflag.org/flagetiquette

The Flag Code, which formalizes and unifies the traditional ways in which we give respect to the flag, also contains specific instructions on how the Flag is not to be used.

- ◇ The flag should never be dipped to any person or thing. It is flown upside down only as a distress signal.
- ◇ The flag should not be used as a drapery, or for covering a speakers desk, draping a platform, or for any decoration in general. Bunting of blue, white and red stripes is available for these purposes. The blue stripe of the bunting should be at the top.
- ◇ Advertising signs should not be attached to the staff or halyard
- ◇ The flag should never have placed on it, or attached to it, any mark, insignia, letter, word, number, figure, or drawing of any kind.
- ◇ The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.
- ◇ The Flag should be cleaned and mended when necessary.
- ◇ When the flag is lowered, no part of it should touch the ground or any other object; it should be received by waiting hands and arms. To store the flag, it should be folded neatly and ceremoniously.
- ◇ When a flag is so worn it is no longer fit to serve as a symbol of our country, it should be destroyed by burning in a dignified manner.

Some American Legion Posts regularly conduct a dignified Flag burning ceremony, often on Flag Day, June 14th. Many Cub Scout Packs, Boy Scout Troops, and Girl Scout troops retire flags regularly as well. Contact your local VFW, American Legion Hall or Scout Troop to inquire about the availability of this service. *Barnes VFW, Cable Legion Post 487 and Boy Scouts of America, Cable only accept Flags for proper disposal.*

Obituaries - REMEMBERING LOVED ONES LOST

On April 28, 2017, **Neil R. Paulson** of Drummond, Wisconsin, passed away, peacefully surrounded by family, following many years of cancer treatments. Neil was a loving husband to Pat for nearly 60 years. He was a wonderful dad to daughter Beth and her husband Randy, and son Paul and his wife Betz. He was a proud grandpa to Sam and Callie, Owen, Sarah and Kelly, and Kori and Isaac.

Neil was born in 1934 in Ashland, Wisconsin, to Nell and Gil Paulson. As a youth he enjoyed frequent hunting and fishing trips with his dad. He graduated from Ashland High School in 1952. His senior quote was "likes to argue and question all things, for to remain silent no knowledge brings." Neil met Pat in high school, and they married in 1957.

Neil graduated from Michigan Tech with a degree in forestry in 1957 and completed his post-graduate work at University of Minnesota. After graduation, Neil and Pat headed west with all their belongings in a Ford station wagon. Neil started his 31-year career with the US Forest Service in Estacada, Oregon. Paul and Beth were both born in Portland, Oregon, during Neil's time in Estacada on the Mount Hood National Forest.

Neil's career also took the family to the Wenatchee National Forest in Cle Elum, Washington; the Gifford Pinchot National Forest in Trout Lake, Washington; Forest Service Headquarters in Washington, DC; and Flagstaff, Arizona, where he served as Forest Supervisor on the Coconino National Forest. Neil traveled extensively during his career and chaired the National Wildfire Coordinating Group, which led the effort to achieve a broad national standardization in key areas of incident management. The Incident Command System is used by government agencies and other organizations nationwide to manage emergency incidents.

After retiring, Neil and Pat bought Bear Country, a sporting goods store in Drummond, Wisconsin, which they owned for seven years. During this time and up to his death, Neil continued his public service: he was active on the Bayfield County Board of Supervisors, the local fire district, and the local criminal justice system; he was an advisor and participant on local issues, especially related to natural resources; and he was a volunteer for many organizations. He was proud of his work helping to re-introduce elk to northern Wisconsin.

The family enjoyed many camping trips, clam digging, snowmobiling, boating on Lake Powell, and enjoying the outdoors. Neil loved the outdoors, and he enjoyed many hunting, fishing, and nature trips, many of these with Paul. Pat and Neil enjoyed being involved in Sam and Owen's upbringing, and visiting Beth and Randy and their family in California. Neil was a big hockey fan, season ticket holder for the University of Minnesota Bulldogs for many years, and he loved to watch grandson Owen play high school hockey on the Hayward Hurricanes. Neil also made two trips to Finland (a life-long dream), where he got to know relatives in his native family village of Ojala (his mother's maiden name). Neil was also an avid runner, finishing several marathons, some of them with Beth.

Through most of his illness, Neil stayed active, even when he had no other medical options. Neil was mostly Finnish, and there is a very important characteristic of all Finns that is best described by the word "sisu." Sisu is a never-say-die individualism that Finns seem to be born with; they have the physical energy and mental endurance to stick to a job until it is done, and done well. Neil was "sisu" in his journey through all the stages of his cancer and in his life.

Neil will be missed for his determined nature, his merry wit and love of jokes, his generosity, his love of family and friends, and his never-ending public service.

At Neil's request, no services were/will be held.

Herbs for the Northern Culinary & Medicinal Garden

What are the best herbs to grow in northern climates? Top herbs for versatile uses such as cooking and home remedies will be featured in this course. Even in small spaces, a dozen will do it in your herb garden. However, more will be presented! Join Master Herbalist Gigi Stafne to begin selecting culinary and medicinal herbs that she has been growing and using for 3 decades.

Time: 10:00 a.m. - Noon Fee: \$13.00 Seniors/\$8.75

Biodynamic Practices in Herb Gardening

Learn to plant and harvest herbs in alignment with celestial, seasonal and lunar cycles for the most potent medicinal herbs. Enjoy other aspects of biodynamic herbalism practices such as creating compost teas, companion planting with herbs, natural herbal pest sprays and more during this evening session with Master Herbalist Gigi Stafne.

Time: 1:00 - 3:00 pm Fee: \$13.00 Seniors/\$8.75

Medicine Wheels, Mandalas, Meditation Herb Gardens

Create a garden with artistic flair! This class goes beyond designing the typical herb garden to creating esoteric spaces that also nourish the mind, body and spirit. Master Herbalist Gigi Stafne will discuss diverse garden designs integrating herbs, flowers, art and other elementals to inspire your Garden Artist Within. Bring writing utensils, color pencils and your plant journal or sketch book.

Time: 3:00 - 5:00 pm Fee: \$13.00 Seniors/\$8.75

- ◆ Participants bring their own lunches.
- ◆ Participants ideally bring writing utensils and plant journal or sketch pad for final session (see course description 3)
- ◆ Registration open through WITC after May 5. It will be in the Summer catalog.

THIS MONTH IN HISTORY

June 20, 1782 – The U.S. Congress officially adopted the Great Seal of the United States of America.

June 10, 1652 – In Massachusetts, silversmith John Hull opened the first mint in America, in defiance of English colonial law. The first coin issued was the Pine Tree Shilling, design by Hull.

June 1913 – American football coach Vince Lombardi (1913-1970) was born in Brooklyn, New York. In 1959, he became head coach of the Green Bay Packers, winning five NFL titles and two Super Bowls in nine seasons. He is generally regarded as the greatest coach and the finest motivator in football history. He retired in 1968, but was lured back to coach the Washington Redskins. He contracted cancer after coaching the Redskins for just one season and died September 3, 1970 in Washington D.C.

June 14, 1775 – The first U.S. Military service, the Continental Army consisting of six companies of riflemen, was established by the Second Continental Congress. The next day, George Washington was appointed by a unanimous vote to command the army.

June 15, 1215 – King John set his seal to Magna Carta, the first charter of British liberties, guaranteeing basic rights that have since become the foundation of modern democracies around the world.

June Birthday - Boxing champ Jack Dempsey (1895 – 1983) was born in Manassa, Colorado. Dubbed “The Manassa Mauler,” he reigned as world heavyweight champion from 1919 to 1926. Following his boxing career, he became a successful New York restaurant operator.

June Birthday – Film comedian Stan Laurel (1890 – 1965) was born in Ulverston, England. He teamed up with Oliver Hardy as Laurel & Hardy delighting audiences for more than 30 years.

Two Interlocked Bald Eagles Crash to the Ground Photo by Greg Bergman

In April of last year, Larry and Patti Bergman were surprised to find two adult bald eagles five feet from their kitchen window at their Barnes home on James Road next to Upper Eau Claire Lake.

The eagles were locked in a grip with their talons, lying on the ground, and unable to separate and fly away.

According to Larry: “They must have locked up while flying over and fighting, and dropped to the ground, not being able to fly. They squawked and picked at each other for almost an hour, rolled around a bit, heads at opposite ends.

A few downy feathers flew, but they were pretty tired.” The Bergmans called the game warden but before he arrived, the eagles unhooked and flew off in different directions. Larry said, “Apparently they were none the worse for wear!”

WHAT A CATCH!!!

Frank Dentici and his wife Barb of Milwaukee, have been staying at Deer Grove Resort for years.

They recently began spending the summers at the resort so they now have many opportunities to fish the local waters.

Frank's love and talent for fishing definitely pays off whenever he gets on the lake.

His display of crappie here was one to admire! With the season just getting started, I think Frank and Barb will enjoy many successful days of fishing.

(That's Chloe Fullington in the foreground helping "Uncle Frank" keep the fish in check.)

FREE FISHING WEEKEND JUNE 3rd & 4th - See Details in this Issue

LOCAL FISHING UPDATES: by Tom Rice

The 52nd Annual Governor's Opener on Lake Namakagon, at Lake Woods' Resort in Cable, was very successful. Governor Walker caught the first two walleyes, with 10 walleye in total caught by the group.

The Barnes opening day didn't bring any "big" fish stories, but was successful as well. In sitting with Tom, he reports that Walleye fishing has been best in shallow waters, in about 6-10 feet and on the "windy" shore-lines. Crappies are starting to move into shallow water, Bluegills are still out fairly deep. Some of the fishermen have been getting good size fish while walking along the shore-lines. On the Eau Claire Lakes, fishing seems to be best on Upper and Lower, while fishing on the Middle has been a little slow.

Fun Note: The last fish caught by a governor was Governor Thompson. However, it was not caught on his own line, but a nearby fisherman tossed *his* catch to him.

HOOKS SHARPENED ? - Muskie season opened Saturday, May 27th.

Reminder:

Please abide by the Fishing Rules and Regulations. Booklets are available any where fishing licenses are sold.

REMINISCING

The many faces of DECOY INN

R-C's DeCoy Celebrates 30th Anniversary

In May 2017, Carole DeWitt celebrated the 30th anniversary of she and her husband Ralph owning R-C's DeCoy in May of 1987. The bar is located on State Highway 27 and County Highway N in Barnes and has known a few owners since it's start.

In 1933 the bar was built and owned by Jim and Marie Cafone until they sold it in 1956. Interesting that their name was Cafone, as this was the era of Al Capone, and also the spring when prohibition came to an end. During this 23 year ownership, the bar faced Hwy N.

In 1956, Bill Hoffer from Superior bought the bar from the Cafone's. In 1959 when Hwy 27 was brought further north, Bill moved the bar so it faced Hwy 27. Bill's grandson and great granddaughter still visit the bar frequently.

In the 1970's, Warren "Vandy" and Betty Vandelist bought the bar from Bill, renaming it "Vandy's DeCoy Inn". They had one son, Tom, who attended Drummond High School (a year ahead of me) Tom still has a cabin here. I recall many great times at the Decoy, many of us who grew up here do. Both Warren and Betty are gone now, but are remembered fondly.

In 1987, Carole and Ralph DeWitt bought Vandy's DeCoy Inn, and have seen many people come and go. It was her husband Ralph's idea to move to the north woods and own their own business. Carole preferred to stay in Chicago by family, but he talked her into it. Ralph succeeded in making his dream come true and retire in "God's country."

Ralph and Carole had two sons. Mike, 16 and Mark, 4 when they moved to Barnes. Both boys went to school in Drummond as well. Carole has 5 wonderful grandchildren that she is very proud of.

Many events have taken place over the years that have brought people from all over the area and beyond. To mention a few, the charitable breast cancer ride "Bikers for Boobs"; the 4th of July Men's softball tournaments, August Women's Corn and Brat softball tourney at the Barnes Town Hall (which started back in the 70's) and the men's August softball tournament at the Barnes VFW.

Carole told me "I remember our Grand Opening which included live music, dancing and *imagine*....a ton of fun. What I remember most importantly, are the people I've met that have left footprints on my heart."

I've chatted with local residents about the bar and the changes it has seen. The owners, past and present are spoken of very highly throughout the community and many remember "good times" when they reminisce of years gone by.

Next month we'll put the spotlight on another local business and it's "family tree". Any information you would like to share about the DeCoy Inn and it's history would be welcomed. We can print any stories and comments in the next issue.

CONCERNED CITIZENS

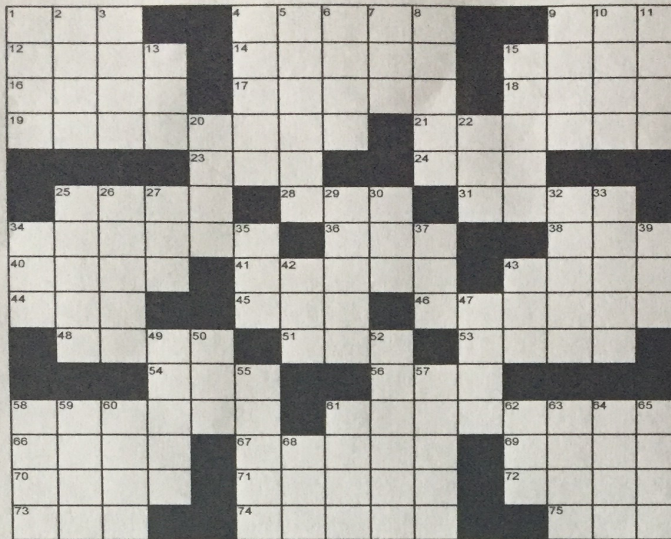

To whoever decided it was appropriate to dump several bags of garbage along Cabin Lane a few hundred yards down the road from Cabin Store – when I decided I just couldn't drive past the mess one more time and decided to do a garbage pickup a few weeks ago – I got to know a lot about you. Your little one is in a size 4 diaper. Oh, the days of little ones – enjoy them while you can – those years go by way too fast. You like to eat at McDonalds and I give you credit for at least getting the packing into the garbage bag and not tossing it directly out your car window. You like to use the heavy-duty garbage bags – but they do still burst when they hit the ground – and the varmints that come around still shred them to pieces. You like to buy bulk (laundry detergent, eggs, juice, etc.) – good for you – very thrifty. You went through the trouble of sorting out your aluminum cans – but then tossed a bag full of cans in the ditch instead of taking them to the recycling center (quite confusing). You should have sent that unsigned valentine card “to the best Mom ever”. Don't neglect your mom, she won't be around forever.

After I filled several garbage bags picking up that trash, I decided to continue down Cabin Lane to Jakacki Road and head south to County Y and pick up more of the garbage along the sides of those roads. I ran out of garbage bags and ended up just tossing the cans and bottles in the back of my truck. It was a close contest who was going to win – Bud Light, Coors Light, Miller Light, Milwaukee Best Light? A lot of the folks driving these back roads sure are calorie conscious and like their light beer. But – really – just toss the empties out the window?!? Or off the back of your ATV?!? We have a gem of an area with tons of public land with the roads to take you to your favorite hunting spot, to the pine plantation for a hike or just taking a ride to enjoy the out of doors. Please – take some pride in the areas that we all share and haul your garbage home with you. Let's all keep these wonderful areas clean for everyone to enjoy.

Signed: A citizen disgusted with the garbage along the roadsides.

It's Summertime!

HAVE SOME FUN

HOW MANY BIG BLOCKS DO YOU SEE?

(Answer in this issue)

UFO CRAFTERS

The first May meeting of the UFO Crafters found us meeting on the 3rd Monday instead of the 2nd Monday. I hope this didn't present a problem for anyone. Due to a town hall scheduling conflict for the warmer months, we had to change our meeting days for May through September. We will now meet on the 3rd and 4th Mondays for those months.

The group met on Monday May 15th at the Barnes Town Hall. Health and doctor's appointments kept some regulars away for the day. We had one person who returned from a trip to Florida with oodles of interesting items to make into pine needle baskets. She brought some very long pine needles from Florida and Georgia, some intriguing sliced walnut shells to weave into the baskets for decoration, some new tools to use, and some interesting stories.

Our member who ties baby quilts for comforting sick or traumatized children brought one to work on. This one had a solid blue back side with a blue and pink printed top piece. It looked very nice with the pink yarn she was using to tie it. Two people were knitting sachets using the same Fair Isle pattern but different colors. One was in soft colors and the other in dark colors. Just changing one thing can make a significant difference in a finished product. One person brought in a book on decorative painting as she's planning to start a project in that technique.

It was a good way to spend a dark and stormy afternoon. We are open to anybody joining us with any type of craft that can be done safely in the town hall. You don't need a reservation. Just arrive with your project.

Remember we will meet on the 3rd and 4th Mondays through Sept. The June dates are the 19th and 26th. Hope to see you then.

JUNE IS STRAWBERRY MONTH—

Although some strawberries arrive in May, June has especially delicious varieties. Keep your eyes open for "pick your own" signs and advertisements. There are several farms in the area to watch for. Other June fruits and veggies are Asparagus, Peas and Peaches.

Strawberries and cashews

are the only fruits whose seeds grow on the outside.

Gordon-Barnes Garden Club

The ladies of the garden club braved the elements Tuesday May 16th for our annual greenhouse tour. It was a rainy morning, but by afternoon it was beautiful.

We started at Rolling Wood Nursery in Stone Lake. It's a beautiful operation specializing in native plants. The ladies were given a talk on begonias and learned a lot. Our next stop was Nature's Design outside of Hayward. Again we were met with helpful friendliness and a beautiful selection of plants from which to choose. We followed this stop with lunch at Loggers' Mill in Hayward, relaxing and stoking up for our last stop, North Star Greenhouses, right across the road from the restaurant. It did not disappoint, and we all headed for home with vehicles loaded with beautiful reminders that spring is unfolding in the north country.

Our next meeting will be Tuesday June 20th 1:30 PM at the Barnes Town Hall. Notice the colorful flowers and shrubs the garden club installed last year and maintains. At the meeting, Club members will bring plants to exchange and enjoy a presentation on Planting A Butterfly Garden. Please join us.

Genealogy

If you're not doing so already, it's time to organize your photos, facts and stories for your family tree. You might be very surprised as to just how important this becomes to you and your family.

What a precious gift to give to your loved ones, or just have a scrapbook laying on the coffee table. I did a scrap/memory book, family history and biographies for the Frierwood side, and that was everyone's gift for a few years as I completed each step. I have started books for every line on each side of our family, currently working on my Grandmother Blanche's side, "The Pease Family". It's *flabbergasting* what information is out there, besides what you may already have.

Websites to search include Ancestry.com, Genealogy.com, Family Tree maker, etc. It's a LOT of work and many hours, but the reward is unsurpassable.

Our sister Debbie put a booklet together of pictures and stories that she had gathered from several distant family members. When she passed in 2003, I decided to "add" to it. I put together a scrapbook combined with genealogy information and to my surprise, I'm still gathering and putting it all together 14 years later. (and I don't see myself stopping anytime soon)

Genealogy becomes a passion, almost an obsession. You find questions that will drive you to find the answers. Give it a try, I'm sure you'll be hooked just like I was.

WITC used to have a class for genealogy, but I've not seen it for quite some time. If you have any information, please email Julie at:

The Drummond Library History

Rust Owen

The Drummond Public Library was founded in 1926. At that time the Town of Drummond was a company town, established by the Rust Owen Lumber Company. A new library was built in the mid 1970's where it operated until our current building was built in 2001. The new library is designed and built to resemble the old Rust Owen Company Store. The library shares space with the Drummond Historical Museum, so the connection to its historical past is preserved and demonstrated within one building.

The Drummond Public Library and Historical Museum has become a popular destination for not only library services, but for a visit to the roots of the town of Drummond. The library also has local maps to assist visitors find the many natural wonders in the area. Visitors enjoy activities such as hiking, cross country skiing, biking, fishing, bird and wildlife watching and much more. The staff is knowledgeable about the local activities and can help you find the best activities while visiting the area.

TIME CHANGE for Medicare 101 Presentations!

Submitted by: Karin Bodin, Bayfield County

In January 2017, the Bayfield County Elder Benefits Specialist, Sheila Mack, began providing “Medicare 101” presentations once per month, January through September, throughout Bayfield County. The presentations had started at 3:00 p.m. and lasted up to 2 hours, but due to audience feedback, the remaining presentations, beginning with April’s presentation, will start at **6:00 p.m.** and last up to 2 hours, depending upon the information reviewed and questions asked by those attending the presentation. Hopefully this will be more convenient for attendees. Also, refreshments will be served.

These presentations will introduce you to the basics of Medicare and give you the information you need to know before making any decisions about whether you want to enroll in all parts of Medicare at age 65, some parts of Medicare, or none of them; and the possible consequences of not enrolling when you are first eligible to enroll. You will also learn about the three types of insurance that supplement Medicare because Medicare only pays 80% of hospital and medical costs, and the need for creditable prescription drug coverage either through Medicare Part D, Wisconsin Senior Care, or a Medicare Advantage Plan.

If you will be turning 65 this year, attending one of these trainings is strongly encouraged. The time available for the Elder Benefit Specialist to work with you in the office is becoming more and more limited due to the increase in assistance being requested. In order to provide prompt and efficient service to as many clients as possible, this presentation will provide basic information on Medicare in a group setting rather than one on one in the Elder Benefit Specialist office. This training will give you enough information to understand your options and be ready to make decisions when it is time to do so.

Below is a list of the dates and towns/cities that the remaining Medicare 101 presentations will be offered. If you plan to attend, please register by the day before the presentation is to be held, by calling:

Karen Bodin at 715-373-6144. ext. 115. Registration is necessary to prepare enough materials for everyone who attends.

Medicare 101 Presentation will be held at **6:00 p.m.** on:

June 13, at the Barnes Town Hall in Barnes, WI

July 11, at the Washburn Public Library in Washburn, WI

August 8, at the Iron River Community Center in Iron River, WI

September 12, at the Drummond Public Library in Drummond, WI

NAMEKAGON TRANSIT BAYFIELD COUNTY ROUTE

Bayfield County and Namakagon Transit are providing a route to serve the southern part of Bayfield County. The route originates in the Barnes area then picks up riders in Drummond and Cable, continuing into the Hayward area. Passengers will then have the ability to transfer to a “circular route” in Hayward, where they can travel from store to store or from one address to another, including the courthouse and various medical facilities.

The cost for the service is \$1.00 one way and \$0.50 for seniors and persons with disabilities who have a Transit ID card.

You **must** call by 1:00 p.m. the previous day to schedule a ride.

EVERY TUESDAY

- 9:50 Leaves the Barnes Community Center
- 10:10 Leaves the Drummond Library and Senior Housing
- 10:45 Leaves the Cable area/Rondeau Market
- 11:00 Arrive in Hayward at the Hayward Area Memorial Hospital
- 1:00 Begin return trip to Cable, Drummond and Barnes with stops as needed

If you would like to have an application sent to you for a reduced fare or have any questions, please call Namakagon Transit toll free at (866) 295-9599 or 715-634-6633.

Elder Abuse Workshop

Join us for a compelling workshop focusing on financial exploitation of the elderly. Topics will include **identity theft, internet scams, and inappropriate use of elder money**. After this workshop you will be able to identify the signs of financial exploitation or abuse in elderly individuals, learn civil legal remedies available to victims of financial exploitation, and be able to refer elderly victims to various agencies or organizations necessary to report or remedy the abuse.

Presented by Attorney **Aimee McGinty** from Wisconsin Judicare, Inc. Aimee is an Elder Justice attorney at Wisconsin Judicare, a non-profit firm that provides free civil legal services to low-income individuals. She works on the Elder Rights Project, providing civil legal aid to elder abuse victims.

BAHA RECIPIES WANTED

Recipes wanted: If you've got recipes which are special to your family or you got from a family in Barnes, BAHA wants to include them in a cookbook. Please include any anecdotes or stories about when that food was eaten, the person who usually cooked it, or anything else interesting about the recipe.

You can email them to:

TIPS AND TRICKS

Baking Preparation:

- Always read a recipe in full before attempting to put it together, making sure you have the correct equipment and ingredients
- All ingredients should be at room temperature before you begin (this mainly applies to butter and eggs) – you can always soften butter in the microwave but remember that you want it softened, not melted
- It's always a good idea to sift your dry ingredients to avoid lumps
- A spatula is your best friend – regularly scrape the sides of your mixing bowls
- When using berries, dust them with a spoonful of flour before adding to the mixture – this helps to prevent bleeding into the batter
- When mixing, gently fold the liquid ingredients into the dry ingredients – you don't want to lose all the air that makes cakes rise
- When mixing sticky, goopy ingredients, try spraying the measuring cups with non-stick spray first – the ingredients will come out easier (also works on your hands if you're handling dough)
- When trimming pastry, use smooth, downward strokes with a knife
- Always grease and line your baking tin and use paper liners for odd-shaped trays (such as muffin tins) – for a ring (such as Bundt or Kugelhopf), grease with butter and dust the insides with flour

The Spice Corner

Cardamom Spice

Cardamom is one of the oldest known spices. In Ancient Egypt it was used in perfumes. They simply loved the aroma of the cardamom spice. The cardamom spice comes from Cardamom plant (*Elettaria Cardamomum*). It is a perennial plant native to southern India and Sri Lanka. It grows in great abundance in forests from 800 – 1,500 meters (2,500- 5,000 feet) above sea level. After two to three years the plant will be about 2 meters (6 -9 feet) tall. The plant can grow to about 5 meters (15 feet) tall. Cardamom replants easily from just a piece of the rhizome.

Cardamom has gorgeous flowers that somewhat resemble irises. The cardamom fruits are capsules that contain around twenty grains. These are the grains we use as a spice. Cardamom pods need to be individually picked using scissors. This is not a job for the impatient person. Not all fruits ripen at the same time. The harvest may continue for several months.

Cardamom Spice – Culinary Uses

You will find that there are both black cardamom pods and green cardamom pods. The black cardamom pods have a smokier flavor. If you get the whole pods remember to open them and use only the seeds inside when grinding. Some will grind the whole pod but that is a poor solution. A good coffee grinder will do the job. You can also buy the ground spice.

Cardamom spice certainly has a very pleasant taste. In Northern Europe it is quite common to use cardamom spice when baking.

When baking, the green cardamom is used. Some say that you can use cardamom in recipes that call for vanilla. Just replace the vanilla with cardamom. A teaspoon of ground cardamom is often included in sweet bun recipes. They use it in cakes and cookies. Why not try cardamom cookies?

Cardamom can be used in main dishes as well. There are thousands of recipes with cardamom. You could even try cardamom meatballs.

In Asia, especially India, cardamom is a very common cooking spice. It is one of the spices used in the mixture of spices known as curry.

In the Middle East cardamom is added to flavor coffee. In Iran cardamom may be added to tea.

CHOCOLATE GOOEY BUTTER COOKIES

From the Kitchen of: Donna Mulder

1 - 8 oz block of cream cheese
1 Stick of Butter
1 Egg
1 Tsp Vanilla
1 - 8 oz box of moist chocolate cake mix
Powdered Sugar

Use a large bowl and cream the cheese and butter until blended. Beat in the egg

Add the vanilla, and the cake mix. Mix well. Cover and set in the refrigerator for 2 hours.

Heat oven to 350 degrees. Roll the dough into walnut sized balls. Roll in powdered sugar and put on ungreased cookie sheets.

Bake for 12 minutes. Cookies will remain soft and gooey.

NOTE: I wear plastic gloves so the dough doesn't get into my nails.

SOPAPILLA CHEESECAKE PIE

From: Allrecipes.com
(Great for Pot Lucks)

Ingredients:

- 2 (8 ounce) pkg cream cheese, softened
- 1 cup white sugar
- 1 tsp vanilla extract (calls for Mexican)
- 2 (8 ounce) cans refrigerated crescent rolls
- 3/4 cup white sugar
- 1 tsp ground cinnamon
- 1/2 cup butter, room temperature
- 1/4 cup honey

Directions:

1. Preheat oven to 350 degrees. Prepare a 9x13 inch baking dish with cooking spray
2. Beat the cream cheese with 1 cup of sugar and the vanilla extract in a bowl until smooth.
3. Unroll the cans of crescent roll dough, and use a rolling pin to shape each piece into 9x13 inch rectangles. Press one piece into the bottom of the 9x13 baking dish. Evenly spread the cream cheese mixture into the baking dish, then cover with the remaining piece of crescent dough. Stir together 3/4 cup of sugar, cinnamon, and butter. Dot the mixture over the top of the cheesecake.
4. Bake in preheated oven until the crescent dough has puffed and turned golden brown, about 30 minutes. Remove from the oven and drizzle with honey. Cool completely in the pan and cutting into 12 squares.

RHUBARB BLUEBERRY JAM

From: Taste of Home Canning & Preserving—2012

Rhubarb is a tart-flavored fruit that blends well with sweet blueberries. Try this luscious spread on toast or English muffins.

Ingredients:

- 5 cups diced fresh or frozen rhubarb
- 1 cup water
- 5 cups sugar
- 1 can (21 ounces) blueberry pie filling
- 1 pkg (6 ounces) raspberry gelatin

Directions:

- In Dutch oven, combine rhubarb and water. Cook over medium-high heat for 4 minutes or until rhubarb is tender. Add sugar and bring to a boil. Boil for 2 minutes. Stir in pie filling.
- Remove from the heat; cool for 10 minutes. Add gelatin and mix well. Carefully ladle hot mixture into hot half-pint jars, leaving 1/4 inch headspace. Remove air bubbles, wipe rims and adjust lids. Process for 10 minutes in a boiling water canner.

SWISS HAM NOODLES - Trudy Dittmer

Ingredients:

- 2 cups medium noodles (cooked)
- 2 Tbsp butter
- 2 Tbsp plus 1 tsp flour
- 3/4 tsp salt
- Dash of pepper
- 2 cups milk
- 1 cup cooked ham (diced)
- 1 cup Swiss cheese (diced)

Directions:

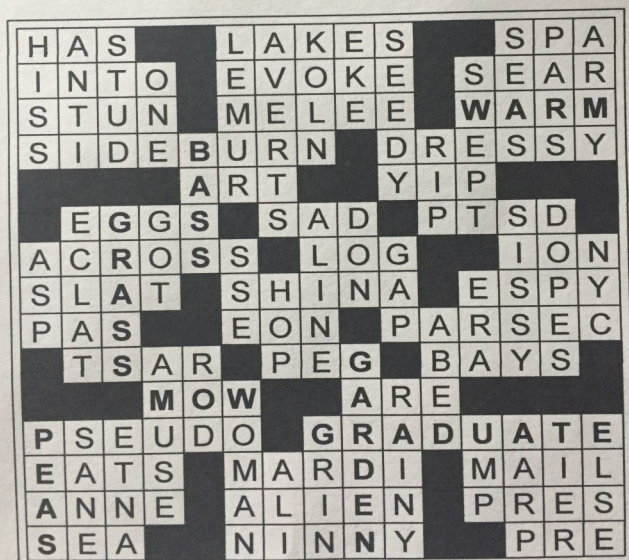

Cook noodles according to package directions. Drain. Melt butter. Remove from heat and blend in flour and seasonings. Gradually add milk, blending all of the time. Cook over low heat, stirring constantly until thick and smooth. Remove from heat. Add ham and cheese; add noodles.

Pour into 2 qt casserole and bake in 350 degree oven for 20 to 25 minutes or until bubbly and brown on top.

Makes 4-6 servings.

BITE SIZE BACON QUICHE

From The Crown of Southern Cooking

Ingredients:

- 5 strips bacon
- 1 stick unsalted butter, softened
- 3 ounces cream cheese, softened
- 1 cup all purpose flour
- 1 cup grated Swiss cheese
- 1 large egg, beaten
- 1/2 cup milk or cream
- 1/4 tsp salt
- Paprika to garnish

Directions:

Fry bacon crisp, and drain. In a bowl, cream butter and cream cheese. Add flour, and work it in with fingers. Roll dough in a ball, and chill. (this can be done a day ahead).

When ready to bake, lightly spray or butter miniature muffin tins. Divide dough into 24 balls, and press each one into a muffin cup and up the side a bit, making tiny pastry shells.

Place cheese in each shell, dividing it evenly and using it all. Crumble bacon, and put on top, using it all. Mix egg, milk and salt, then spoon mixture into each shell, using it all. Sprinkle each quiche with paprika.

Bake in preheated 350 degree oven 25-30 minutes. Serve

CHEESE CRUNCH CASSEROLE

A very old recipe page I found in one of mom's cookbooks

- 1/2 lb thinly sliced or grated cheese
- 1/3 cup thinly sliced onion
- 1 pint canned tomatoes
- 2 cups cornflakes

Cover bottom of a 1 1/2 qt casserole about 1/2 inch deep with tomatoes. Spread half of the onions and cheese in layers over tomatoes. Top with 1 cup cornflakes. Repeat the four layers. Bake in moderate oven (350 degrees) about 30 minutes.
