Barnes Park & Recreation Committee Minutes

Thursday, June 8, 2017

Present: Donna Porter, Marcia Wellnitz, Mary Krook, Susan Pagnucci. Absent: Jill Karlsson, Linda Clark.

The meeting was called to order at 9:08 by Donna. Roll call & verification of public notice. Susan agreed to take minutes for Linda Clark.

May 18<sup>th</sup>, 2017 minutes corrected to add future dates for upcoming meetings: "June 8, July 6, August 10, September 14, as needed." Approved as changed: (Wellnitz/Pagnucci 2<sup>nd</sup>). Motion carried.

Park Inspection: The two parks were in good shape. The town crew was notified that only two picnic tables were in need of work. One needs to be destroyed, and the other needs a new bench. Both are located near the pavilion in the Town Park.

White Arrow Signs: 146 white arrow signs have been ordered. And all payment for them has been turned in by 6/1/17. They will not be put up until all are finished being painted. That way the town crew can do one signpost at a time and not have to come back and forth. Many people are excited about the new look this will give the town.

Tomahawk Lake Park Update: The trails are being widened. Other work will be done as the crew has time on the new warming shed/bathhouse, fish sticks, signs, etc.

Walking Trail in town park update: Chris Webb has asked the committee for a map of the park with an overlay of the requested trail and the approximate costs. In 2010 Mike Tremblay provided a trail two-thirds of a mile, 6' wide path, for under \$2000. He said the cost could be lowered if people or groups helped with the construction. When Mike is available, we will ask him to help with a map and overlay and also help by suggesting a new projected cost for the project. He has already spoken with Eric of the Town Crew about the project.

New Event Sign Rules: Susan Pagnucci will be responsible for writing up rules groups and organizations need to provide if they want a notice on the new billboard. She will present this at the next meeting so that all Park & Rec members will be able to suggest changes or additions before we print it up to present to the Board and the public.

Motion to adjourn by Mary, 2<sup>nd</sup> by Marcia. Motion carried.

Submitted by Susan Pagnucci as substitute for Linda Clark, secretary
